3064	<p>Domaine de la Romanée-Conti La Tâche, Côte de Nuits</p> <p>Mature in color with wide bricking on the rim, the nose is utterly bewitching with fragrant scents of orange peel, iron piping, damp undergrowth, wild mushroom and a hint of dried blood. It felt intense yet beautifully defined. The palate felt fully mature after 38 years, the balance is perfect, the symmetry beguiling, and it gently fans out on the pure, caressing finish. It offers everything you could wish from a mature Pinot Noir, a hauntingly beautiful wine. WA 98</p>	1978	18800
3080	<p>Château Mouton Rothschild, 1st Growth</p> <p>It is quite showy on the nose, preening in its infancy with pure black cherries, graphite and hints of cold slate-like scents, a hint of seaweed is observed when tasted blind a few months before. The palate is beautifully balanced with great vim and vigour. This is a Mouton that will not be put down - vivacious, vivid and delineated with a wonderful focus and a crucial, impressive persistence on the finish. RP 96</p>	2012	1948

Domaines Barons de Rothschild Lafite acquired L'Évangile in 1990. The Ducasse family was keen to ensure continuity of care and sustainability for the estate. In the house in the heart of the vineyards, built of Bordeaux stone in its mythical clay gravel setting, bees and horses, winegrowers and farmers come together. In the midst of an abundance of nature, this is a house full of ideas and experiments. A house where, as soon as we pass through the red wooden doors, we land in the vineyards, where the team observes and cares for the Merlot and Cabernet Franc vines.

3124	<p>2019</p> <p>Aromas of cherries, sweet berries, warm spices, violets, and loamy soil, framed by a nicely integrated patina of new oak that reflects a concerted effort to refine cooperage choices at this address in recent years. Full-bodied, rich, and velvety, it's a broad, textural wine with a richly layered core of fruit, succulent acids and ripe, supple tannins that reflects the warm, dry vintage. WA 94</p>		780
3123	<p>2017</p> <p>Offering glimpses at blueberry preserves, baked plums and black raspberries scents before revealing nuances of spice cake, cinnamon sticks, dusty soil and garrigue plus a waft of incense. Medium to full-bodied, the palate has a lot of richness and depth, with firm, ripe, rounded tannins and just enough freshness. WA 95</p>		855

Château Margaux 2010

At the beginning of the 21st century, Bordeaux wines are experiencing unprecedented success. The whole world seems to have their eyes riveted on Bordeaux, where the demand for these great wines never stops growing. This prosperity, as well as the rapid expansion of other regions in the world, has placed Château Margaux in a more competitive climate, and also allowed the underlining of its unique position: that of a First Growth classified in 1855, enjoying a terroir that has been shaped by the passing centuries.

3147	2010	2688
	Features notions of minted blackcurrants, new leather and Black Forest cake with nuances of sautéed herbs, tar, underbrush and wild fungi plus a waft of cedar. Full-bodied, the palate has a rock-solid structure of firm, grainy tannins and bold freshness supporting the taut, muscular fruit, finishing long and earthy. RP 98+	
3146	2006	1988
	A very youthful wine, unfurling in the decanter and glass with a deep bouquet of blackcurrants, cigar wrapper, black truffles, loamy soil and nicely integrated new oak. Medium to full-bodied, deep and concentrated, with a rich and vibrant core of fruit, lively acids and refined but authoritative tannins, it's a rather powerful, elegantly muscular Margaux that's still a decade from maturity. RP95	
3145	2005	3188
	A lavish fragrance of blackcurrants, velvety new saddle leather, spring flowers and spice soars from the glass. The wood is already totally concealed beneath the cascade of fruit in this medium to full-bodied, pure, and majestic wine. This concentrated, dense, but nevertheless, strikingly elegant, multi-layered wine as it builds incrementally to a crescendo and finale. RP 98+	
3079	1998	1898
	Notes of asphalt, blackberries, acacia flowers, and a sweet, toasty oak. Subtle, rich, nicely textured, and medium-bodied, it is built for the long haul. RP 91	
3144	1997	2088
	The nose is exquisite with great delineation and purity with much more vigour than the other Firsts. Mint, blackberries, violets and blueberries all leap from the glass, oblivious to the fact that they stem from a poor vintage. The palate has a slightly voluptuous feel to it, rounded black fruits, raspberry, cassis, tobacco, graphite, and a touch of Asian spice towards the finish. Sheer class. RP 90

The Guigal domain was founded in 1946 by Etienne Guigal in Ampuis; a small, ancient village at the heart of the Côte-Rôtie appellation. It is overlooked by unique vineyards where vines and wine have been celebrated for over 2,400 years. Following his arrival in 1924 at the age of 14, the founder went on to make wine for 67 vintages in the Côte-Rôtie and, at the beginning of his career, took part in the development of the Vidal-Fleury establishment. In 1961, a still very young Marcel Guigal took over management of the domain when his father was struck by temporary but total blindness. He was joined in 1973 by his wife, Bernadette and they worked hand-in-hand to expand the family business. In 1975, their son Philippe was born and today he is the domain's oenologist. Together with his wife, Eve, he represents the third generation and continues the family's lifetime endeavour to be at the service of the greatest wines of the Rhône valley.

The Jamet path has been one that has stayed true to tradition as the appellation has modernized around him. Despite its popularity, Jamet always eschewed the use of excessive new oak but instead chose to maintain a cellar full of the traditional aging vessel of Côte Rôtie: the *demi-muid*. As the fashion to de-stem Syrah accelerated, Jamet remained firmly opposed, continuing to vinify his Syrah whole-cluster. Perhaps most importantly, Jamet remained committed to his extreme, impossibly steep and rocky, treacherously terraced parcels that could only be worked painstakingly by hand. Planting Côte Rôtie on the plateau or leveling his vineyards to be able to plant on flatter sites and work them more easily were not part of his repertoire. The Jamets have been avid planters over the past four decades, giving them an incredibly diverse collection of raw material that leaves them poised to continue making great wine uninterrupted for generations to come.
